

‘IMI HO‘ŌLA: IMMUNIZATION CHECKLIST

Please note that it is **YOUR** responsibility to ensure you meet all the requirements, so please review ALL requirements carefully.

Required Immunizations

- **COVID-19**
- **Tuberculosis/PPD**
- **Influenza Vaccine (Can be completed during the fall semester of the program if unavailable at time of enrollment)**
- **MMR**
- **Varicella (Chicken Pox)**
- **Tdap within 10 years (Tetanus-diphtheria-acellular pertussis)**
- **MCV (Meningococcal conjugate vaccine)**

A current PPD completed after June of the year of enrollment must be completed. A current chest x-ray is required if: the initial PPD is positive **OR** there is a history of a positive PPD.

Please provide the following documents if there is a history or current positive PPD:

- Record of the date and measurement of the positive PPD (in millimeters)
- [TB Symptom Questionnaire](#) (included in welcome packet)
- Documentation of antimicrobial therapy for tuberculosis, if applicable

Please allow 7-10 business days for processing/review of immunization records. You will be sent confirmation that your records have been received and informed of any additional requirements if needed.

For more information, please contact us at phone (808) 469-4980 or fax at (808) 447-3943 or email at JABSOMMR@UCERA.ORG

All required documentation must be submitted to UHP by the **July 15th of the current year (subject to change)**.
